## LETTER FROM THE BOARD

---

### VARIOUS MANDATES

At the last annual general meeting of the Company held on 23 August 2019, the Directors were granted a general mandate to allot, issue and deal with Shares, a general mandate to repurchase Shares and a general mandate to add to the general mandate to allot, issue and deal with Shares repurchased. These mandates will expire at the conclusion of the forthcoming AGM.

#### **(a) Issue Mandate**

At the AGM, an ordinary resolution will be proposed such that the Directors be given a general mandate (i.e. the Issue Mandate) to allot, issue and deal with new Shares or underlying Shares of an aggregate amount of up to 20% of the total number of issued Shares as at the date of granting of the Issue Mandate.

As at the Latest Practicable Date, the Company has an aggregate of 2,260,097,946 issued Shares. Subject to the passing of the resolution for the approval of the Issue Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Issue Mandate to allot, issue and deal with a maximum of 452,019,589 Shares.

In addition, a separate ordinary resolution will further be proposed for extending the Issue Mandate authorising the Directors to allot, issue and deal with Shares to the extent of the Shares repurchased pursuant to the Repurchase Mandate. Details on the Repurchase Mandate are further elaborated below.

#### **(b) Repurchase Mandate**

At the AGM, an ordinary resolution will also be proposed such that the Directors be given a general mandate to repurchase Shares (i.e. the Repurchase Mandate) on the Stock Exchange of an aggregate amount of up to 10% of the total number of the issued Share as at the date of granting of the Repurchase Mandate.

Subject to the passing of the resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 226,009,794 Shares.

#### **(c) Extended Issue Mandate**

It is recommended that the extended Issue Mandate be granted to the Directors permitting them, after the grant of the Repurchase Mandate referred to above, to add to the Issue Mandate any Shares repurchased pursuant to the Repurchase Mandate.

---

## LETTER FROM THE BOARD

---

The Issue Mandate (including the extended Issue Mandate) and the Repurchase Mandate if granted, shall continue to be in force during the period from the date of passing of the resolutions for the approval of the Issue Mandate (including the extended Issue Mandate) and the Repurchase Mandate up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association, the Companies Law, Cap 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands or any other applicable laws of the Cayman Islands to be held; or (iii) the revocation or variation of the Issue Mandate (including the extended Issue Mandate) or the Repurchase Mandate (as the case may be) by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

An explanatory statement in connection with the Repurchase Mandate is set out in Appendix I to this circular. The explanatory statement contains all the requisite information required under the Listing Rules to be given to the Shareholders to enable them to make an informed decision on whether to vote for or against the resolution approving the Repurchase Mandate.

**Silver Base Group Holdings Limited**  
**Liang Guoxing**  
*Chairman*

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate.

### **1. Repurchase of securities from core connected persons**

The Listing Rules prohibit the Company from knowingly purchasing its securities on the Stock Exchange from a “core connected person”, that is, a director, chief executive or substantial shareholder of the Company or any of its subsidiaries or their respective close associates and a core connected person is prohibited from knowingly selling to the Company his/her/its securities of the Company.

No core connected persons of the Company have notified the Company that they have a present intention to sell any Shares to the Company nor have any such core connected persons undertaken not to sell any of the Shares held by them to the Company in the event that the Repurchase Mandate is passed.

### **2. Share capital**

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,260,097,946 fully paid Shares.

Subject to the passing of the proposed resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 226,009,794 fully paid Shares, representing 10% of the issued share capital of the Company as at the date of passing of the resolution.

### **3. Reasons for the repurchase**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and the Shareholders as a whole.

### **4. Funding of repurchases**

Repurchases would be funded entirely from the Company’s available cash flow or working capital facilities which will be funds legally available under the applicable laws of the Cayman Islands, the memorandum of association of the Company and the Articles of Association and for such purpose.

The Directors do not, however, intend to make any repurchase under the Repurchase Mandate during the proposed repurchase period in circumstances that would have a material adverse impact on the working capital or gearing position of the Company compared with those as at 31 March 2020, being the date of its latest published audited consolidated financial statements.

## 6. Disclosure of interests and minimum public holdings

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates, have any present intention to sell to the Company or its subsidiaries any of the Shares in the Company if the Repurchase Mandate is approved at the AGM.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum of association of the Company and the Articles of Association and the applicable laws of the Cayman Islands.

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such an increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Mr. Liang Guoxing, an executive Director, the chairman, the chief executive officer and a substantial Shareholder and his close associates held 1,004,046,750 Shares, representing approximately 44.42% of the entire issued share capital of the Company. On the basis that the maximum number of Shares that can be repurchased under the Repurchase Mandate is 226,009,794 Shares, if the Repurchase Mandate is exercised in full and even if none of the 2,050,000 share options granted to Ms. Luo Li to subscribe the Shares are exercised, the percentage interests in the Company held by Mr. Liang and his close associates would increase by more than 2% to approximately 49.36%. When exceeding the 2% creeper, an obligation to make a general offer to Shareholders under Rule 26 of the Takeovers Code may then arise. The Directors have no present intention to exercise the power of repurchase pursuant to the Repurchase Mandate to such an extent as would result in such a takeover obligation.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

#### **7. Shares repurchase made by the Company**
